The champion teams will represent Australia in Japan for the 2019 World's final

Sydney

Friday, 26 July 2019

9:00am - 3:30pm

Early bird ends: Friday, 12 April 2019

Registration Closing date: Thursday, 16 May 2019

The goal of this Challenge is to inspire students to develop programming skills while applying the general capabilities of *the 4Cs: Creativity, Collaboration, Critical thinking and Communication* and become an innovator in problem solvers. Students ARE engaged to solve the open-ended challenge through team WORK by APPLYING learned interdisciplinary integration knowledge in a fun safe environment.

Building skills, transforming lives.
